ABOUT TWIRL

Twirl classes are focused on engaging little dancers and making dance class fun!

Twirl 1 (ages 3) and Twirl 2 (ages 4) include basic, dance-focused exercises for our tiniest dancers.

This is a great introduction to dance!

As these dancers grow up in our studio, they will advance to Twirl 3 (age 5), where the dance activities become more involved as they are exposed to more dance steps, learn about stage directions, are introduced to guided improvisation and more!

Twirl is sure to make your child fall in love with dance while also providing a great foundation for growing as a dancer.

As a supplement to our existing curriculum, Twirl is a fun approach to dance class, and inspires creativity and imagination in your child.

Twirl ~ a fun approach to dance class

As a Twirl dancer, your child will receive:

A Twirl activity book: We will utilize the book at least once per month during class, so we will store it at the studio all year. We will personalize it to your dancer, and they can take it home at the end of the year for continued fun!

A Twirl ribbon for their dance bag: Each week, at the end of class, your dancer will earn a rhinestone for their ribbon. At the end of the dance year, they will have a super sparkly souvenir of their dance year!

A Twirl Graduation Celebration Certificate: At the end of the dance year your child will earn a certificate of completion!

Your little dancer will look forward to dance day each week with the fun and imaginative activities offered in their Twirl class! (All aspects of the program are suitable for girls and boys).
